

Strathalbyn Football Club and RSL Building Project

To help facilitate the building extensions of the Strathalbyn Football Clubrooms and to give the RSL a new home you are invited to purchase a brick, or two, to help with the construction of our project.

This is an opportunity for you or your business to support our new building project.

We are asking you to help us cover this exciting venture into our clubs facilities and future with a donation of \$50.00 per brick.

You can certainly purchase more than one brick, in fact the more the better.

You will receive a certificate of ownership and you will be listed amongst the others who also purchase a brick on the Club website and on screen displays in the clubrooms.

I would like to purchase (no. of) bricks and I will receive a tax invoice from the club for a total of \$.....(\$50.00 x no. of bricks – if you need a tax invoice please add 10%)
